X. ENROLLMENT PERIOD FAMILY COPAYMENT MAXIMUM

Under this plan, there is a limit per family on the Co-payments that YOU must pay for Covered Health Services each enrollment period. It is YOUR responsibility to keep up with how much YOU have paid for Covered Health Services and to provide proof to CHIP. CHIP will notify YOU of the amount of YOUR Co-payment maximum and will provide YOU with a simplified form that YOU can use to keep up with the amount of Co-payments that YOU have paid.

YOU must notify CHIP when the maximum Co-payment under the Plan has been paid. When YOU notify CHIP about reaching the Co-payment maximum, CHIP will issue a new Member ID Card for each CHILD in YOUR family. The new Member ID Card will notify participating Physicians and providers to waive Co-payments for the remainder of the enrollment period for the CHILD.

XI. SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES

These health services when medically necessary must be furnished in the most appropriate and least restrictive setting in which services can be safely provided; must be provided at the most appropriate level or supply of service which can safely be provided and which could not be omitted without adversely affecting the Member's physical health or the quality of life.

Emergency Care is a covered CHIP service and must be provided in accordance with **Section VII. D. Emergency Services**. Please refer to **Section II Definitions**, for the definition of "Emergency and Emergency Condition" and the definition of "Emergency Services and Emergency Care" to determine if an Emergency Condition exists.

There is no lifetime maximum on benefits; however, 12-month, enrollment period (a 6-month period) or lifetime limitations do apply to certain services, as specified in the following chart. If services with a 12-month limit are all used within one 6-month enrollment period, these particular services are not available during the second 6-month enrollment period. Co-payments apply until a family reaches its specific enrollment period co-payment maximum.
